

DanceSport Australia – Web Site - Studio Listing Policy

(Original Policy Announcement July, 2010; Re-issued November, 2016)

Notice for All Studio Proprietors

DanceSport Australia (DSA) would wish at all times to encourage participation in our sport – from all members of the community and at all ages. For that to happen, we are pleased to assist in spreading the community knowledge of available learn to dance venues. However, DSA also has a responsibility to its registered members to ensure that its facilities, created at some cost to those members, are used appropriately. Accordingly, the following eligibility criteria for the listing of dance studios on its web site apply -

1. Free listings will be available to those studios whose proprietors and/or senior coaches have a minimum of a DSA Instructor Level coaching accreditation in at least one of the three main dance styles – Standard, Latin and New Vogue.
2. Listings for those studios who do not meet that minimum criteria will still be available, but at a cost of \$150 per annum.
